DETAILED ACTION

1. This action is responsive to IDS filed 9/20/07.

2. The examiner has considered the IDS filed 9/20/07. A copy of an initialized form PTO-1449 filed 9/20/07 is attached herein.

Allowable Subject Matter

Claims 1-13 are allowed.

The following is an examiner's statement of reasons for allowance: for independent claims 1, 12 and 13. Prior art fails to teach preparing eigen spaces from a plurality of rotated character images and preparing loci drawn for projection points and obtaining distances between projection points for recognition targets for target characters in eigen space. These features in combination with other features are not taught in the prior art. Claims 2-11 depend on claim 1. Therefore are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
